

## Car Wash

---

Agro The Clown is adapting to the times and is back on the road with a new show, fresh and original.

### The Show

Thanks to the special effects, the music and the many personalized surprises,

Car Wash will pull you into a fiery swell of comedy until you are tamed.. by shots of sponge..

Open the windows and let joy enter into your car, just a few minutes to wash your heart and your dashboard!

A circus show and theatre drenched in mirth, panache and frothy... cheerful thoughts and foam, thanks to the special effects, the music and the many personalized surprises,

### The Artist

Luca Della Gatta started to study circus in “Carampa” School in Madrid for one year. In this time he got close to clown life and started to study physical theater, clown and mime in the “Nouveaux Columbier” school of Madrid, directed by José Piris, direct student of Marcel Marceau. He had chance to study with Roberto Escobar and Igon Lerchundi in their mime school in Buenos Aires and continued mime in “Accademia artimimiche” of Turin.

Graduated in 2014 at the “Performing Arts University” of Philip Radice in Turin, Italy. He works with his clown Agro since 2010 in street shows in european main cities and international street festivals.
